ONE STEP BUTTONHOLE

Just set a button in the appropriate place on the buttonhole foot, lower the lever, and a perfect buttonhole is automatically made in one step.

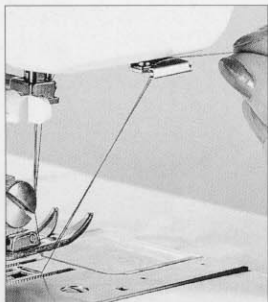

HANDY CARRYING HANDLE

Easy to carry.
The machine weighs only 17 lbs.

PUSH-PULL CLUTCH▶

When winding the bobbin, pull out the clutch to disengage the machine.

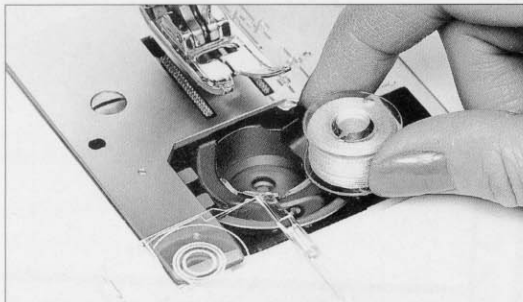

CONVENIENT ONE-HAND THREAD CUTTER

Since threads are cut neatly and held by the cutter, you can easily start sewing again without the trouble of tangled threads or an unthreaded needle.

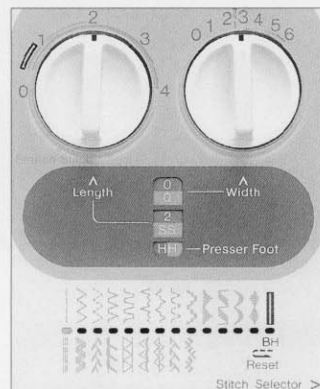

QUICK FOOT CONVERSION

Just lower the lifter and a sewing foot will easily snap into place. Removal is just as easy - one quick touch of a button.

MAGNETIC TYPE HORIZONTAL FULL ROTARY HOOK

Jam-proof, magnetic, top loading full rotary hook system eliminates bobbin case for convenient bobbin insertion, removal and cleaning. Thread is visible below the see-through slide plate.

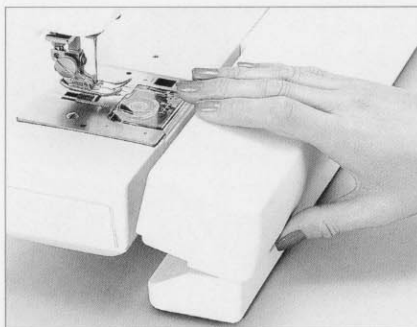

INFORMATION WINDOW

Once you select a pattern, it tells you the most suitable foot, stitch length and width you should use for the pattern.

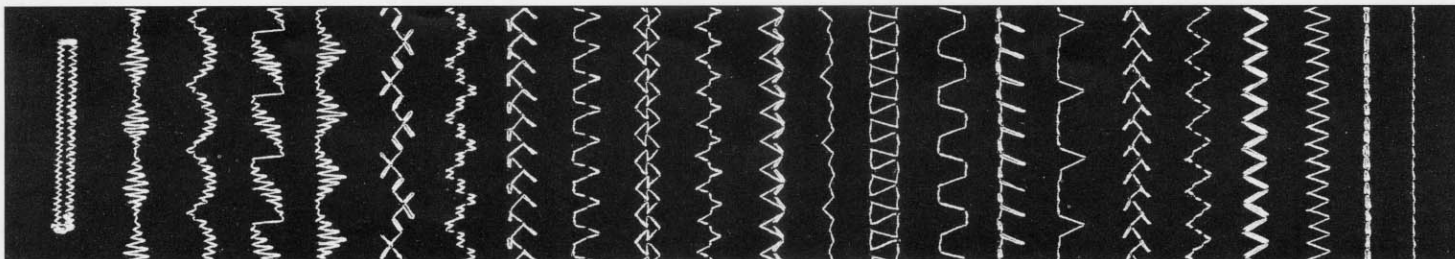

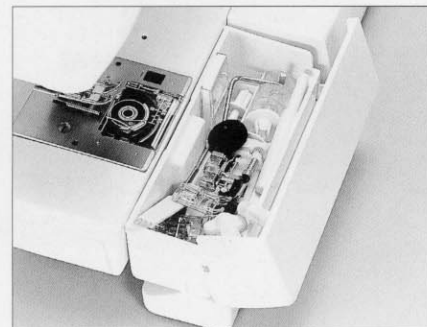

CONVERTIBLE FREE ARM FOR CIRCULAR SEWING

The detachable sewing table lifts out of the way easily to reveal the free arm - so handy for sleeves, cuffs and other circular work.

EXTENSION TABLE

A snap-on extension table widens the sewing area and sewing accessories are conveniently stored under the table.
